# May Moments

TIPS & REMINDERS TO HELP YOU  
FINISH STRONG AND ENJOY SUMMER

We're here to help you every step of the way.

## Finish the School Year Strong

A little planning now can lead to a brighter tomorrow.

- ✓ Review school expenses and plan ahead for next year.
- ✓ Set a small summer budget for activities.
- ✓ Start a savings habit for back-to-school early.
- ✓ Celebrate accomplishments without overspending.

Small steps today can make a big difference tomorrow!

## Watch Out: These Plants Are Toxic to Pets

Many common spring flowers and plants can be harmful to your furry friends.

- ✗ Lilies
- ✗ Azaleas
- ✗ Sago Palm
- ✗ Tulips
- ✗ Daffodils

If you have pets, be mindful of what's planted in your yard or brought into your home.

## Easy Ways to Start a Summer Garden

Even a small garden can bring a lot of joy (and fresh flavor) to your summer.

### Start with herbs

Basil, mint, rosemary and parsley are easy and rewarding.

### Choose a sunny spot

Most vegetables and herbs need at least 6 hours of sunlight.

### Don't overwater

Most plants need less water than you think.

### Use containers if needed

Perfect for patios, balconies or small spaces.

Grow a little. Enjoy a lot.

## Smart Summer Spending Tip

A simple plan today helps you enjoy more tomorrow.

Set a weekly spending limit for summer fun.

It helps you create memories now without the stress later.

*Need a little flexibility?*

WESLA is here to help with options that fit your life and your goals.

### BUDGETING

Creating a plan for how you'll spend your money so you can reach your goals and avoid unnecessary debt.

### WHY IT MATTERS

A budget helps you take control of your money, reduce stress, and make progress toward the things that matter most.

### *Example:*

If you budget \$200 each month for entertainment instead of spending it randomly, you could save

**\$2,400  
IN 1 YEAR.**

*That's extra money for books,  
a trip, or your future!*

Small choices today.  
Big impact tomorrow.  
**We're here to help.**
